POONISH POOL PARTY PROMOTES PEEN PARALYSIS

THERE'S something about chucking a bunch of muff-diving lezzos in a pool and watching them splutter and twitch that gives us a big, chewy stiff one.

Maybe it's something to do with all the flaps and boobies and that.

That's why we just about SHAT our duds when Jordan and Kayla, the SQUIRMING LEZZOS who starred on the cover of #714, threw a lezzzzbian POOL PARTY.

Here's what went down on that wet, wide arvo…

Her arse was drowning.

IT WAS a day our furry testicles will fondly remember until THEY DROP –Jordan and Kayla in a pool with their nip-nibbling mates Samantha, Ivy and Yasmine and a rogue bottle of TEQUILA.

"It started off slow," said Mike, our photographer, "but when tequila became involved it went through the roof and I got pushed out."

Bummer, DUDE. But the girls had a top time

- Swimming
- Kissing
- Drinking
- Dancing
- Singing, AND
- Eating each other out like starving greyhounds.

The maddening influence of demon tequila – the lick, sip, suck drink – fitted the lezzos' agenda like a Pearly Bird dildo and they were soon licking salt off Sam's beautiful African belly.

"I really enjoyed the licking," Sam clucked.

"I wanted more. The girls put salt on my nipples too. That should happen again and again and again."

Ivy and her pants agreed.

"The tequila loosened everybody up. We all got really excited," Ivy said.

Looks of lezzo LOVE were exchanged between Samantha and Jordan as the day WORE ON.

'After a few drinks she was flirting, grabbing, touching – she wanted more'

No! Don't look at the camera!

They love *Burke's Backyard.*

What's wrong with man salt?

Lezzos can get really territorial.

Dolphins make love like this.

"Jordan's skin is beautiful – and she is a nice size," Sam cooed.

Kayla wasn't aware of the passion that was burgeoning under Sam's chocolate breasts. When we told her, her reaction was very sexual.

"I think that's great," Kayla squeaked. "Sam's really cute. She'd never done anything like this before.

"She was quiet and nervous at first but after a few drinks she was flirting, grabbing, touching – she wanted more and more."

Is a three-way GROPE on the cards?

"I'd love for all three of us [Sam, Kayla and Jordan] to get together," she piped.

"I don't want her to have too much of a crush on Jordan though. I could get left out in the cold."

Kayla then blurted: "Sam's nipples are absolutely heee-uge!"

Ivy then threw a spanner into the lesbian works when she said she had MUCH LOVE for Kayla.

"Everyone got off on each other but I really felt a connection with Kayla," Ivy whispered.

The lezzo love triangle just became a RHOMBUS.

A CLIMAX was reached when Kayla sexually threw Ivy in the pool.

"She just tackled me in," Ivy giggled wetly.

"Still, it was pretty funny. I was probably a bit pissed." ■

The tequila kicked in at 10am.

Graham's grouse tits

HEATHER SHOWS HER MAMS IN MOVING MOVIE

HEATHER Graham's fantastic tits have AGAIN claimed the nude limelight with the RELEASE of her latest flick, *Killing Me Softly.*

As a result, it is the greatest moshun pikcha of all time.

Heather's VIBRATING CANS previously starred in such films as *Boogie Nights* – she showed her FLANGE in that one as well – *Bowfinger* and the very fucken FUNNY *Austin Powers: The Spy Who Shagged Me.*

They are a talented bosom, for sure.

The plot in *Killing Me Softly* revolves around Heather's character – a beaut psychologist – getting it on with some mountaineering cunt because he's all MACHO and that.

Which sounds BORING AS.

But who gives a shit? She gets her tits out. Which is grouse, because the feisty redhead's perky boobs are ace and many of us would really like to put our heads or penises between them.

And suck on her NIPPLES.

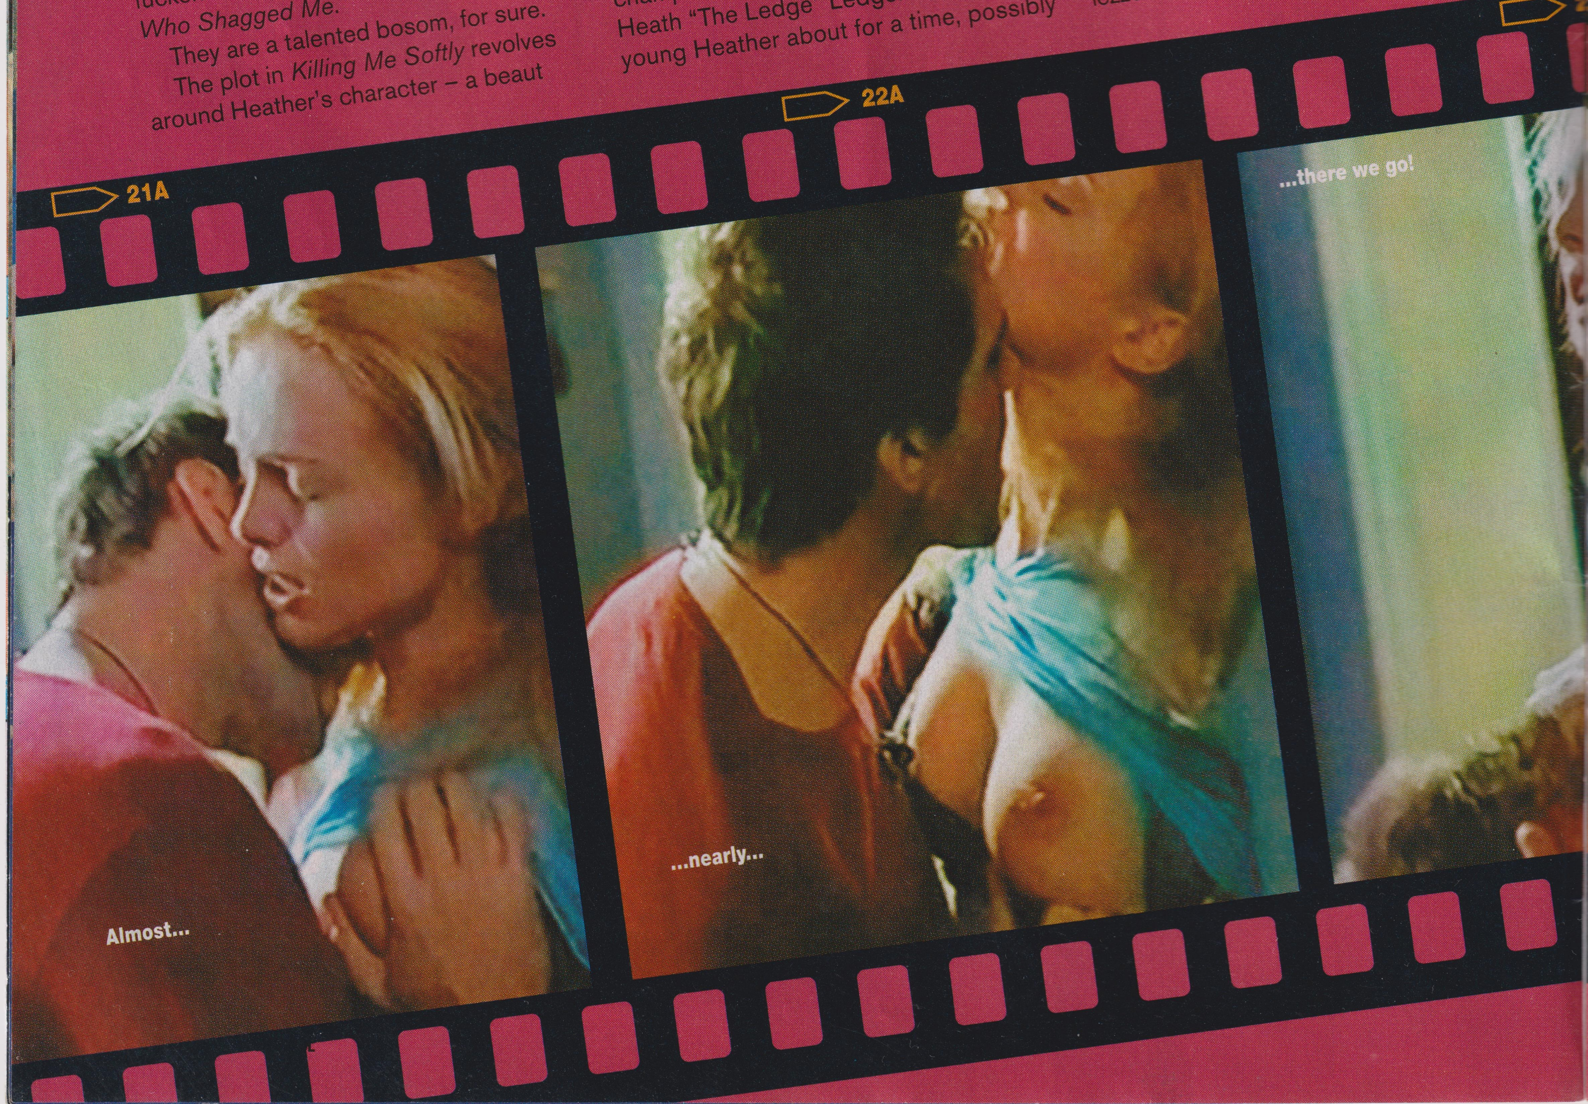
Of course, not many of us will ever do that. But at least one Aussie champion probably has, in the form of Heath "The Ledge" Ledger. He squired young Heather about for a time, possibly fulfilling the thick, salty dream which haunts our long sessions in front of the video player.

Sadly, they broke up.

We're not sure from whom Heather is currently receiving cock – all our sweaty enquiries to her publicist were met with comments like "Who is this?" and "Please stop calling".

So we can only hope she is copping it from a variety of well-hung partners in a number of different positions several times a night. And loving it.

And possibly going in for a bit of hot lezzo action too. Dog willing. ■



Almost...

...nearly...

...there we go!

You can see her muff in this one.

THE PICTURE SEZ:

If only Heather had been in Herbie Goes Bananas. We might have been tempted to go and see it and thus have avoided a lifetime of regret.

AUSSIE BOFFINS REINVENT THE FLOOR

I HAVE MISSED MY STEP AND AM IN DANGER OF SLIPPING ON THIS WET FLOOR!

Pics by Carol Atkins

THE DAYS of slipping over in bathrooms, busting your shit-piece then suing the owner for $8 billion may soon be over – thanks to some grippy new stuff developed by a BLOODY GENIUS in Adelaide.

Once applied to your tiles, granite or concrete, Worksafe Anti-Slip will microscopically alter the surface to provide grip – especially if it gets wet.

And it won't FUCK YOUR GROUTING.

The mastermind behind Worksafe Anti-Slip is Dean Dempsey, general manager of Floorsafe SA.

Dean's been in the lino trade for years and enjoys ROCK STAR status in South Australia. Probably.

Hail, Dean! Did you invent this wonderful gear all by yourself?

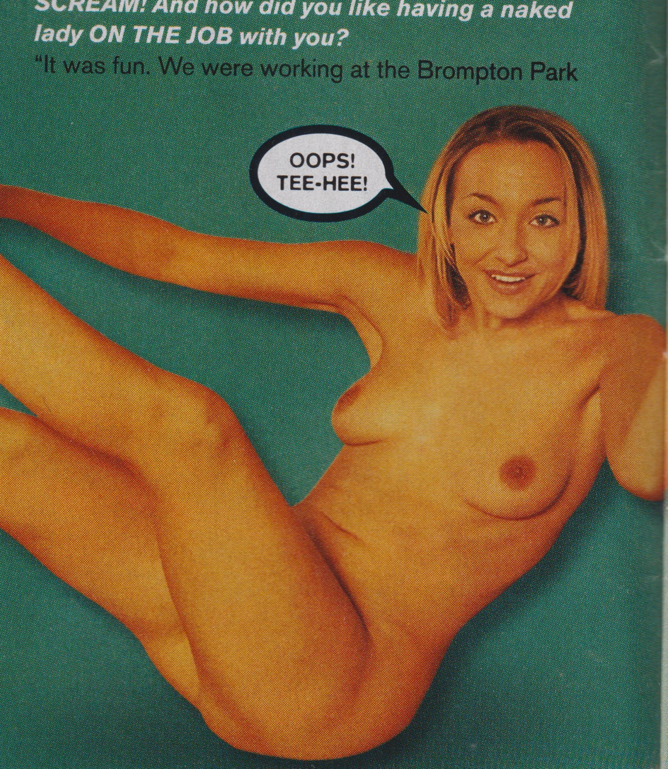
"Yes. Similar floor treatments exist – and I used to use them – but when they increased tenfold in price I decided to develop my own."

Wow. You're a bit like Einstein. Or that beaut bloke who speaks like a robot. How's the grouse new invention travelling?

"It's doing quite well…now that everyone's so worried about being sued."

SCREAM! And how did you like having a naked lady ON THE JOB with you?

"It was fun. We were working at the Brompton Park



OOPS! TEE-HEE!

I'M FEELING SAFER ALREADY

SEE? IT'S NOT SLIPPERY AT ALL

Hotel and the owners put some drinks on. We hung out for a while and had a ball!"

That's great, Dean, but we won't believe NOTHING until your story is verified by Mya, the Homie Of The Week (#715) we sent to CHECK YOU OUT. Here she comes now. Does Dean's gear work, Mya, or is it a crock of hippie shit?

"It works fantastically well! I can honestly say it was the most amazing floor transformation I have ever seen."

Cool! Is floor safety a sexual turn-on for women?

"Um…no. But it's just as well to be safe these days."

Quite. But does Anti-Slip really stink?

"Not really. I guess as far as harsh industrial solutions go, it doesn't smell too bad."

So there you have it. Worksafe Anti-Slip is safe, effective, easy to apply, not too smelly and, best of all, AUSTRALIAN. We advise you to go out and buy fucking heaps of it. Right now. ■

PUNTERS – to make your tiled floors safe with Dean's scientific gloop, call Floorsafe SA on (08) 8374 0000 or 0412 779 560.

THE MAN WHO'S fucked

RON JEREMY INTERVIEW

Ron Jeremy is a hairy-backed 49-year-old porn star who has fucked "between 4000 and 5000" ladies during his 23 years in the industry.

To celebrate the release of the feature-length doco, *Porn Star: The Legend Of Ron Jeremy*, we phoned him in Hollywood and got this interview.

G'day, Ron. For an ugly guy with a big gut you've done well. What's your secret?
"My cock is 9¾ inches [248mm] long. Most guys in the business are average."

Who's the best fuck in the biz, Ronnie?
"Tabitha Stevens – she's got a very tight one. It's like it's virginal no matter how much sex she's done. It's how she's built – really small.

"In one scene we were doing doggie-style and she looked back at me sweating and said, 'Ronnie, you're losing blood sugar,' and handed me a piece of chocolate cake. So I put the cake on her back and took a bite out of it while I was doing her doggie-style."

You must have seen some crazy shit...
"The craziest was when I was doing a movie with Samantha Fox [the jizz-hound, NOT the Pommy Page 3 girl] and she was being done by Bobby Astyr.

"Bobby was pumping her and we could hear and smell something burning – the hot light was singeing his ball hair!"

Crivens! Tell us your worst porno bonk.
"I was doing a double penetration with Randy West. He came first – all over my leg. I said, 'Randy, get your babies off my leg.'"

Do chicks go for you in your civvies?
"It doesn't work that way. Often they just want to see my dick. So I say, 'Show me yours and I'll show you mine.' So we find somewhere private and trade flashes – and that can lead to something sexual."

You did a flick called* 87 And Still Banging *where you porked a great granny.
"I wanted to show that you're never too old to enjoy sex. Me and the cameraman joked about where I should do the pop shot. I mean, you can't do it on her face – it's wrong! This woman was alive in WWI! So I did it on her leg and she rubbed it in and said, 'That feels nice.'"

We're sure it did. And you've sucked your own dick in a few movies.
"I discovered I could do that when I was in the Boy Scouts. When I told Dad he said I'd better not tell anyone and that when I got older there would be girls to do that for me.

"I've only ever done it in films. It doesn't feel like anything and I don't like doing it."

When are you going to pack your cock in and lead a normal life like the rest of us?
"When I wake up in the morning and find my penis under the pillow." ■

Ron does dick for a living.

SOMETHING SMELLS LIKE FISH!

"I SCUBA do"

GETTING hitched is usually the worst day of a bloke's life – so why not get married underwater where no-one can see you weeping like a baby?

That's exactly what smart Dutch bloke Mark Schoenemarkers did when he tied the knot with his root, Marlie.

The NEWLYWETS were attended by a priest, two witnesses in wetsuits and several drunken CLAMS as they took their vows on the ocean floor off the Indonesian island of Sulawesi.

Naturally, there wasn't a dry eye in sight and the bride bubbled with joy.

Especially when Mark drowned her in matrimonial spoof later on at their hotel.

elastic fantastic

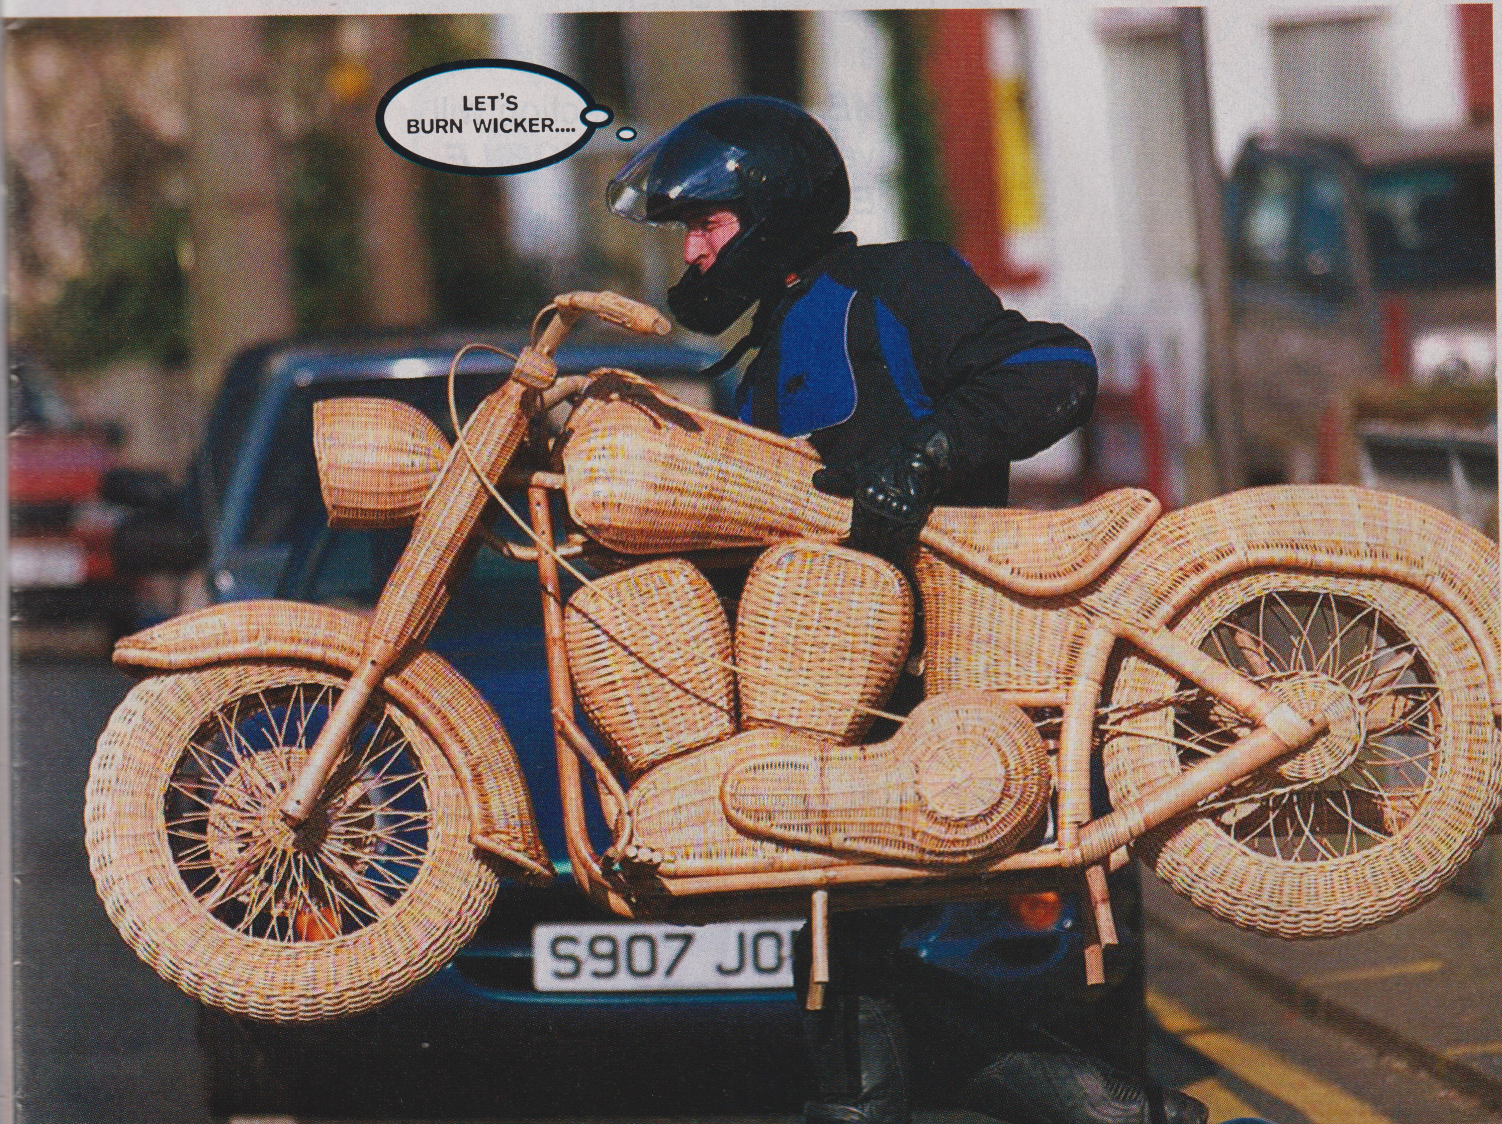
UNLIKE us Aussies, the Welsh don't roll up their boogers into great big snot balls. Instead, they use rubber bands.

As strange as it may seem, Tony Evans, 53, had the time and inclination to roll up ONE TONNE of the rubbery champions.

Over five long and EXCITING years, young Tony tied rubber band on rubber band until his ball measured a healthy 4.5 metres in circumference. It soon became too HUMUNGOUS to fit in his Swansea lounge room.

"It all started as something to play with in an idle moment," Tony burbled erotically. "But over time it grew and grew and I didn't want to stop."

And it pissed his missus off so much she threatened to move out. But she didn't.



WHEELIE beaut

POMMY champion James Bone CANES his bike wherever he goes because the fruity chopper is made out of bamboo and wicker.

Based on a Harley-Davidson, Jimbob built the 'bike' as a promo for his brother Colin's stupid carpet store in Southend, Pomgolia.

"It really looks the business," a stoked Colin observed.

But when James tried it on the bitumen alongside REAL bikes made of STEEL and GLASS, it went rather FUCKED.

It clocked about 1km/h and Jimmy had to carry it up hills in his soft Pommy hands. What a man and what a legend!

The sexorcist

Story and pics by Ali Wilson

Jeannie feels Alf's blade.

NUDE SPUNK SAVES AUSSIE PUB

BASTARD ghosts had their arses soundly THRASHED in Queensland recently when a nude sheila with REALLY nice tits fucked them off.

For far too long Balfes Creek – just left of Charters Towers – had been TERRORISED as the undead

- Hung around the footy field
- Loitered in the girls' shitters, AND
- Flattened the beer.

John Smith, publican of the Balfes Creek Hotel, sent out a cry for help and Jeannie, spirit-stunning norks at the ready, was on her way.

But the Airlie Beach spunk needed some practice, so she SMASHED UP some other ghosts on the way over.

After a quick stop in downtown Ravenswood to deal out justice to spooks in the souvenir shop and a miner's shed, Jeannie felt she was just about ready.

It was a hot day when Jeannie strode into Balfes Creek. A day when ghosts would DIE. Again!

First up she met Alf Gourley, 76, a former crocodile hunter who lives in a ladies' toilet. A ladies' toilet he reluctantly shares with a GHOST.

Alf explained he would prefer to be alone in the water closet and Jeannie heartily agreed.

Choosing the second-most powerful weapon in her spook-spanking arsenal, Jeannie leapt into the cubicle waving an old cricket bat.

After a bit of a perv and a toss, the ghost agreed to leave, proving once AGAIN the awesome power of tits.

With the pesky LITTLE spooks out of the way it was time to hit the pub and rid the place of paranormal shenanigans FOR GOOD.

Jeannie was taken to the poolroom where the ghost was said to HANG. She wiggled a cue, muttered an INCANTATION and, like a gay bloke – POOF! – the prick was gone.

"I could feel the ghost there but I think he will be gone after today," Jeannie uttered as her breasts mysteriously defied GRAVITY.

Since Jeannie's spooky tits-out effort, John and Alf haven't seen the ghosts EVEN ONCE.

Fucken creepy, eh? ■

PUSH-BUTTON LUXURY

Well, here's Xbox number eight. Seven of my precious gaming BABIES have already been OFFERED to the world like SLUTS and, as a result, I'm getting VERY protective of my last three. Probably because they're so darn wonderful – what with their Intel processors, HUGE hard drives and oh-so-CHUNKY control pads. Because I'm feeling a little maternal and cunty, I thought I'd make it EXTRA HARD for you to win this week. Kind of.

What you have to do is come up with the name of a video game baddie. Something like 'The Evil Doctor Farkazoid Flaptrap' or 'Bernard'. Mark your entries 'Xbox 8' and flang 'em on in.

WHO ATE ALL THE CHEESE?

Self-help books are full of crap. Which is why 'spoof' ones – like *I Moved Your Cheese* by this bloke Darrel – are so FUNNY. This book is a piss-take on the best-selling self-help book *Who Moved My Cheese?* and it's full of all manner of hilarity. So if you would like to win one, make up a funny name for a type of cheese. Mark your entries 'Cheeses Loves Me'.

"This is the self-help book for people who want to take no steps at all. This is the self-help book for people lying on the sofa."

PORN TO BE MILD

Couples with bedroom difficulties are often encouraged to watch porn to spice up their sex life. But chicks are funny – they don't get aroused by pissing dwarfs.

That's why Penthouse produces chick-friendly porn like this stuff. It features ladies in nice undies and although they don't root they still show their flaps. And because it's on DVD, their PARTS are crystal clear.

To win one, tell me about a time you were sprung watching porn. Mark your entry 'Caught White-handed'.

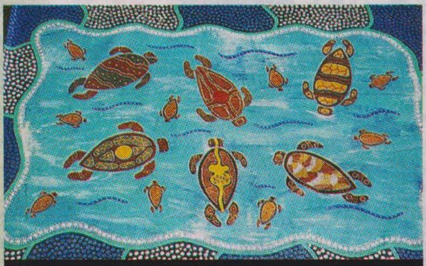
Ca$hman

If you desperately need dollars, tell Ca$hman why in no more than 150 words. Remember, Ca$hy loves PHOTOS with letters to prove your case. Write to Ca$hman, THE PICTURE, GPO Box 5201, NSW 2001. Ca$hman regrets he is unable to reply to all requests and cannot return your photos. Only the letters he feels like answering will be published. So there.



We like a nice painting, us.

CONNECT THE DOTS

I NEED $200 for canvas so I can do the only thing I'm good at (see enclosed photo). Normally I wouldn't ask, but as a young Aboriginal in jail I get nothing from these scum. If you help me, not only will I send you a painting but when I crack the big time I'll tell 'em you helped me get there.

N.W., Richlands, Qld

$200 ***CA$HMAN SAYS:*** ***Art, eh? Well, there's nothing we at THE PICTURE enjoy more than art. Unless its football. Or beer. Or naked spunks. Taking this into consideration, plus the fact I'd rather see our beaut incarcerated readers busy knockin' up paintings than sticking each other with shivs made from toothbrush handles, I've had a dip into my sack and come out with $200, which I'll bung your way. Can't wait to get me painting.***

STUNT DICK

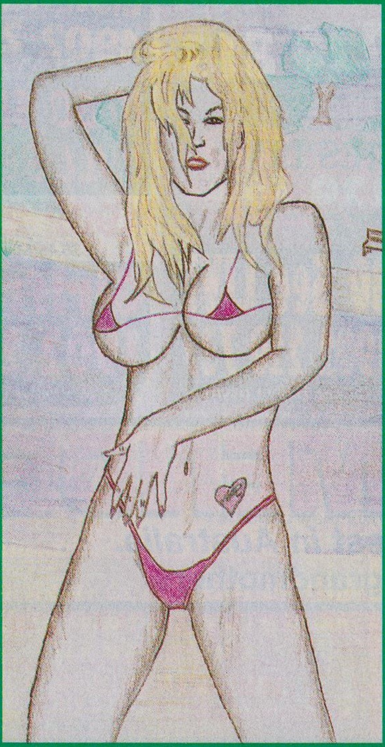
I THINK I know why Sandra Bullock can't get pregnant – white American males have the biggest cocks in the whole white world. While a procession of American guys have been filing their 10 inch whoppers into Sandra's perfectly designed twat, it's a fact that this over-sizing isn't going to work. Whereas if I slid my standard-sized six-incher into Sandra's slot I think my jism might just do the trick. Ca$hman, I need money for my air fare to Hollywood and all sorts of cash advances so I can track her down and book some quality time with her. About $5000 should do it.

S.S., Coffs Harbour, NSW

$0 ***CA$HMAN SAYS:*** ***As much as I feel for Sandra's bung ovaries and arid, inhospitable uterus, she's as rich as fuck and can afford to buy as many third-world orphans as she wants. No point in ruining her fine furburger by squeezing a bub out through it. That'd be a waste. So your offer of going over and giving her a cooze-full of your feisty Australian taddies, while very generous, is probably not the best thing for all concerned. Sorry about that. Perhaps you can make do with a quick wank on a government bus instead. That's the way I like to relieve the pressure.***

America has a nasty rash.

Letter of the Week



HAVE TITS, WILL TRAVEL

AFTER losing my job, the missus and I decided to pack up the Kombi and work our way around Oz. Problem is, I'd like to immortalise her tits in every spot we visit, so we need a camera. I'd like to get a good one so I can have some decent photos of her assets as she's not shy about pulling them out in the wild. And remember, the more you give us, the better the quality of nude pics you'll receive for your generosity. Here's a sketch from our lazy long weekend away.

N.R., Padbury, WA

$150 ***CA$HMAN SAYS:*** ***Yeah, I could get behind a project like this. Tits at Ayers Rock, tits at Kakadu, tits in front of Richie Benaud's birthplace – it sounds beaut. Here's $150 to get this major contribution to our cultural landscape underway. Snap them jugs, and let's see the results.***

BROWN-NOSIN' BABE

PLEASE help a damsel in distress, Ca$hy, sweetheart. I've got bills up to my perky, well-rounded arse. In fact, they've almost reached as high as my permanently rock-hard nipples. If it wasn't for my big, round 16Ds I'd drown in them! It's everything all at once – car payments, insurance and rego, rent, credit cards, it just goes on and on. I haven't bought a stitch of clothing for months and I'm starting to look like a little rag doll – with perfect tits and arse. What I'm asking for, my big strong man, is a couple of hundred dollars to buy some new frilly undies and bras so my assets will be perfectly framed for whenever you'd like to come around for a look. Don't be a big meanie, Ca$hy – do it for both of us.

C.D., North Sydney, NSW

$0 ***CA$HMAN SAYS:*** ***Oh sure, you love me NOW – but what happens when I'm old and HIDEOUS? I have to think of the future. Anyway, women are better off without underwear. So no dice.***

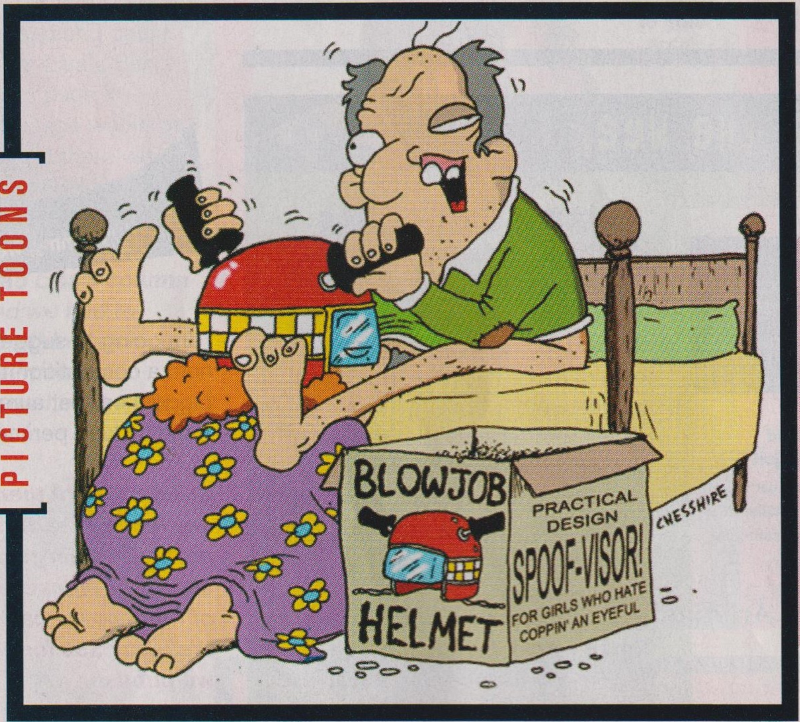
You're Fucken Joking!

`Got a grouse joke? Send it to You're Joking, THE PICTURE, GPO Box 5201, NSW 2001 or email picture@acp.com.au. If we publish it we'll send you some PICTURE playing cards. They have really nude ladies on them.`

Q: WHAT DO YOU CALL A BASEMENT FULL OF POMS?
A: A WHINE CELLAR.
T.A., Woy Woy, NSW



TWO BROTHERS aged four and seven were sitting in their bedroom. "You know what?" said the seven-year-old, "I think it's about time we started swearing." The four-year-old nodded his head in agreement.

"So when we go downstairs for breakfast I'm gonna swear first, then you swear after me, OK?"

The four-year-old agreed and they went down to the kitchen. Their mother walked in and asked the seven-year-old what he wanted for breakfast.

"Oh, shit, Mum, I guess I'll have some Coco Pops."

WHACK! She caught him around the ear with a mighty blow and he flew out of his chair and across the kitchen floor.

She looked at the four-year-old and asked with a stern voice, "And what do YOU want for breakfast, young man?"

"I don't know," he blubbered, "but it won't be fucking Coco Pops."

Q: IF A GAY COMES OUT OF THE CLOSET, WHAT DOES A LESBIAN COME OUT OF?
A: A LICKER CABINET.
C.M., Essendon, Vic

A LADY walked into a Rolls-Royce dealership, browsed for a while then spotted the new Silver Shadow. As she bent to feel its fine upholstery, a loud fart escaped her arse.

Embarrassed, she looked around to see if anyone had noticed her little accident. As she turned she discovered a salesman standing directly behind her.

"Good day, madam. How may we help you?" he asked.

The woman felt very uncomfortable following her loud fart, but asked, "What is the price of this vehicle?"

"Madam, if you farted just touching it, you are going to shit yourself when you hear the price," the salesman said.

D.R., Caboolture, Qld

ON THE first day of school the teacher thought she'd get to know the kids by asking them their names and what their fathers did for a living.

The first little girl said, "My name is Mary and my daddy is a postman."

The next little boy said, "I'm Andy and my dad is a mechanic."

Then one little boy said, "My name is Jimmy and my father is a stripper in a gay bar."

The teacher gasped and changed the subject. Later in the schoolyard she approached Jimmy and asked if it was true that his dad stripped in a gay bar.

Jimmy blushed and said, "I'm sorry, Miss, but my dad really plays rugby league for Queensland – I was just too embarrassed to say so."

$100 Joke of the Week

A SPEEDING driver was pulled over by a policeman who immediately told him to hand over his licence.

The bloke said, "I don't have one. I lost it for drink driving."

"Then show me your car rego papers, please," said the cop.

"I can't do that either," said the bloke. "It's a stolen car. I killed the owner and his body is in the boot."

The cop went pale, edged away and radioed for backup.

Within minutes five police cars were on the scene. A senior officer drew his gun and called to the man to get out of the car.

The bloke did, asking the boss cop, "Is there a problem, officer?"

The nervous cop said, "One of my officers told me you have stolen this car and murdered the owner. Open the boot, please."

The man opened the boot. It was empty.

Puzzled, the cop asked, "Is this your car?"

"Yes, here are the registration papers," the man replied.

The bewildered cop put away his gun, scratched his head and said, "The officer also told me you don't have a driver's licence."

The man pulled out his licence and handed it over, saying, "I bet the lying bastard told you I was speeding too."

VÅRDEN FÖR VÅRDEN

WHITE CHRISTMAS

THERE is a company in Sweden called Locum AB which manages medical buildings. Last year it decided to place an advertisement to celebrate Christmas. The ad guy suggested they replace the 'o' in Locum with a heart. The best thing was what the boss of Locum said when asked to comment on the ad. "These things happen," he said. "And if it helps to fill our maternity wards, we don't mind."

R.D., Ringwood, Vic

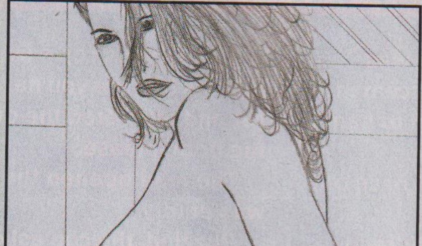
Those wacky Swedes! When they're not harpooning a walrus or stuffing a fondue up their bums, they're cracking us up.

UP THE ARTS

I THOUGHT you would appreciate this drawing. It's one of the young ladies from *Picture Premium* magazine. Let me know what you think.

H.D., Bacchus Marsh, Vic

We...TUG!...think it's...WANK!... grouse...TOSS!...young H.D.



Behold the wonder of crayons.

Show us ya squirrel!

AW, NUTS

IN #714 you had a letter from T.B. of Derby, WA, concerning an ad for a squirrel. You asked if anyone knew what a squirrel was. A squirrel is a plumber's tool. They're like a big corkscrew and are used for clearing blocked pipes and stuff. At least that's what I think they are.

S.M., Prahran, Vic

Well. There you go. A plumber's tool. That's not saucy at all. We thought the term 'squirrel' might have applied to a vagina.

A NIP IN THE AIR

I'M NOT going to babble on about how fucking terrific the mag is – all I am going to suggest is that you hold a competition to find Australia's biggest or best aureoles. You know – the fucking perimeter of the nipple.

Q.J., Launceston, Tas

Crikey. Alright then. If there are any female readers out there with particularly large or attractive aureoles, please send us a snap of them so we can show everyone. We'll pay $50 for every nipply photo we publish.

"Mummy, we're hungry."

COCK UP

AS A devoted girlie reader of your magazine, I've read the previous letters from R.K. of Cairns (#708 and #714) and – although I love you all at THE PICTURE – I'm inclined to agree with her. You guys need to do another cock mag. Times change and I think most girls five years ago weren't as open-minded as they are today. So please find it in your heart to give us girls what we all really want – COCK!

D.H., Port Kembla, NSW

Mother o' mercy! Gadzooks! Holy Fuck! Well, if we keep getting such FORTHRIGHT letters from lady readers, we may just have to. So if you're a chick and you want to ogle peen in a specialty 'cock mag', write in and let us know why. If we get enough interest, we may just get our dicks out again...

ME LOVE COCK TOO

HI GUYS. Just agreeing with R.K. from Cairns. Us female readers do need more cocks. Home Blokes is great – so come on, give us some more! Please give a single mum a few little thrills!

D.B., Toowoomba, Qld

Bloody hell. That was quick.

LISA MOANER

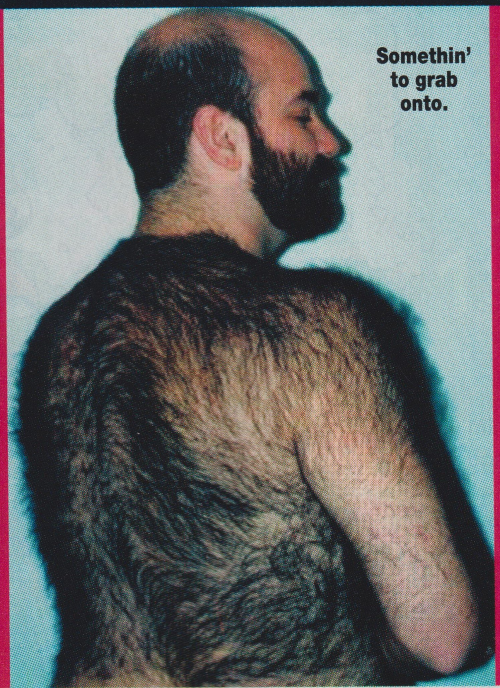
THANK you for publishing a damn fine mag. But surely one of you dumb cunts went to primary school and learned how to read and count. I only buy your mag for Lisa's Sex Diary. On the contents page in #716 you said Lisa's saga would be on page 49, but instead there were fucking phone sex ads! Get your shit together, people!

L.G., Ashmore, Qld

The censor knocked Lisa's column back that week and we had to replace it with something else at the absolute last minute. Sometimes her sexual behaviour is just too extreme.

Dirty Lisa too blue for censors.

iNTERNUTS



Somethin' to grab onto.

WHAT with all the letters we've had from girls this week, we thought we'd feature a site the ladies might like. It's located at **www.hairyback.com** and it's for all those BILLIONS of chicks out there who love a man to be covered from neck to arse in thick mats of rich, healthy hair.

For those who prefer English humour to lustrous manes of macho back fur, try **www.rathergood.com** – a site featuring crude cartoons involving cut-out celebrities doing awful things to rabbits.

If you've seen a particularly STOOPID Internet site, send the details to Internuts, via Readers' World, at the regular address or by email to picture@acp.com.au. If we run it, an item of the usual PICTURE loot will be yours.

WANK VERSE

UP HERE in censored Queensland, THE PICTURE ain't the same,
When girls lie down with legs apart, in fact it's pretty tame.
But Boxy and the others, they do their best I think,
And every now and then I spot a bit of smiling pink.
Take the girls in #714 – Jamie Lee and Chantelle show,
That piercing of the clit hood is the latest way to go.
But the one who roused forgotten youth was there on page 15,
Anita bares her perfect arse with the smiling pink between.

E.B., Toowoomba, Qld

Fuck Advance Australia Fair, E.B. Next state funeral we go to, we're singing your poem. Possibly to the tune of Rock You Like A Hurricane by The Scorpions.

Pink bits on the sly.

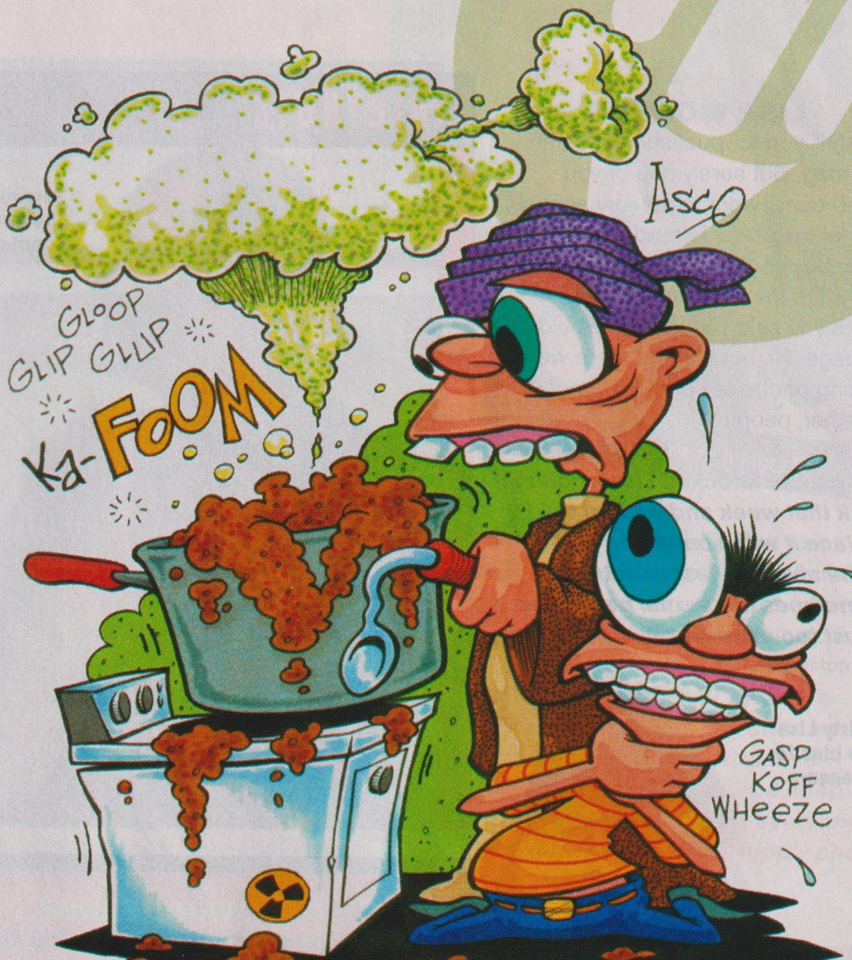
The CURRY



ME AND two mates – Raj and Fucked In The Head Billy – had moved flat. As you do in a new house, we wanted to improve ourselves by cooking stuff for a change. No more takeaway crap. No more biohazard kebabs. So on our first night we decided to cook up a real feast.

None of us knew what the fuck we was doing but eventually Raj decided to go back to his cultural heritage for inspiration and cook a monster vindaloo curry.

Funny that, 'cos I've never seen him eat anything but McShit burgers since he was about three years old.

We loaded up with everything Raj could think of for the meal: chillies, vindaloo paste, chillies, meat, chillies, rice and chillies. Then we went home, rolled up our sleeves and got into it.

We sliced, diced, boiled and stirred like men possessed and all seemed well as our creation bubbled merrily on the stove. It only started to go wrong when Fucked In The Head Billy decided to taste the thing and spent the next hour writhing on the bathroom floor screaming that his face was dissolving.

Maybe that should have been a warning – but we pushed on. The curry bubbled. Clouds of noxious vapour filled the kitchen.

"Sorry, mate," said Raj. "I tried some of Billy's home-brew earlier."

"For fuck's sake," I gasped. "Couldn't you have gone outside?"

"No way," said Raj. "I don't think it's safe to leave this thing alone. Look at where we spilled some. It's blistering the enamel on the stove."

Raj began to cough. "Christ, I can't stand any more of this. My eyeballs are melting." He handed me the spatula. "You take over."

I edged towards the pot and leant into the steam. "Fucking Christ! My face!" I croaked, groping to check that my nose and lips were still there.

"No shit," said Raj. "Don't get too close. The fucker's dangerous."

Just then, BLURP! The monster spat a blob of itself onto the floor, where it fizzed angrily on the lino.

"Oh fuck," Raj gasped. "It's alive!"

BLAPP! Another blob fired onto the kettle, melting a neat hole in it.

"Stay back!" I screamed.

SPLAPP! POP! Gobs of curry flew across the kitchen. Oily red ooze seeped down the sides of the pot. "It's approaching critical mass!" yelled Raj. "If we don't get it off the heat it'll go thermonuclear!"

Holes were opening in the floor as the blobs of vindaloo ate their way through. "Bullshit!" shouted Raj through the haze. "That's our dinner! Now cover me. I'm going in!"

But as Raj reached for the saucepan handle the broiling hell broth rose, and from its noxious bowels heaved an almighty glob.

"Aaaaarrrrrgghh! I'm hit!" screamed Raj as he fell squirming to the floor.

"Fuck you!" I hollered at the quaking pot. "You wanna get personal? Come and get it, you steaming pile of goop!"

The stove lurched as the floor around it started to dissolve. "For fuck's sake," groaned Raj from the floor. "Get it off the stove or it'll kill us!"

Chunks of plaster were falling from where the curry fumes had melted the ceiling. I had to do something.

I readied myself for a desperate lunge, but just as I was about to make it, Fucked In The Head Billy walked in and, calm as you like, grabbed the pan and moved it off the hotplate. He'd finally finished whimpering in the bathroom and was back on his feet.

As the beast slowly subsided, Billy turned to me with a big grin on his face. "You know," he said, "it's not that bad once you get used to it." ■

SALLY BOMBS OUR DEFENCELESS UNDIES

'I go for the tanned, toned, blonde, surfie type. With a cute face and nice strong arms'

EVER since the dawn of time it has been man's dream to fly.

(Well, probably not the dawn of time. Let's say as soon as he stopped dreaming about being chased by sabre-toothed tigers and screwing the woman in the next cave, THEN he started dreaming about flying.)

Which brings us to *Top Gun*, the crap-but-almost-beaut movie starring Tom Cruise and, more importantly, Kelly McGillis.

In it, a bunch of wacky American flyboys chuck sky wheelies in their jet fighters and shower together.

It is deeply stupid, but Kelly McGillis was dead spunky in it. Ever since then the connection between death-

'On a deserted tropical island, und

dealing military aircraft and wild, back-scratchin' sex has been pretty obvious.

Just think about all those fruity aircraft terms: joystick, cockpit, FLAPS. Christ, it's amazing the censors haven't BANNED the air force on principle.

Anyway, given the task of improving on the sleek lines of a modern jet fighter, you'll agree that draping 20-year-old Sally all over one was definitely the way to go.

Hey, Sally – do you fancy having Tom Cruise running an eye over your UNDERCARRIAGE (snigger, snigger)? Or is he too much of a friggin' short arse?

"Well, I'm only five foot two [157cm], so height doesn't bother me."

Speaking of bothered, what gets you all HOT and bothered?

Pics by Mike Brown

er palm trees with the water lapping at us'

"I usually go for the tanned, toned, blonde, surfie type. With a cute face and nice strong arms."

Aw, CRAP. Because we're not one of those.

"And he has to be a good kisser."

OK, OK – now you're just depressing us. Suppose you spot one of those peroxided fuckers with the killer pucker in the pub – what do you do?

"I'd go over, introduce myself and start chatting. I like to treat guys like they're just another friend."

Well, we suppose that's better than shooting at them with a medium-calibre rifle, shortened in the stock and barrel to facilitate concealment under a coat or jacket.

Ahem...if you could pick the place for a beaut fantasy root, where would it be?

"Definitely on a deserted tropical island, under palm trees on the beach, with the water lapping at us."

So...not in the back of a rusty Datsun Sunny parked near the offcuts bin around the back of the butcher shop then?

"No."

YOUR LOSS, sweetheart. ■

SLAVIC SLIMMY ENRAGES AUSSIE TOCKS

SLOVAKIAN cum-bucket Kyla Cole could be the hottest hornbag working in porn today. And if you've not heard of her, it's time you hit **www.picturemag.com**. She's waiting for you to LOG ON right now!

With dark, lustrous locks, crystal blue eyes and a set of all-natural CHEST BEARS that'd make a grown man weep (with jism), Kyla is nothing less than SEX ON LEGS.

Seems impossible but – yes – her tits are real. Real fucking nice. And in these topsy-turvy times that's an increasingly rare and precious thing.

You could have seen her at her official website, **www.kylacolesite.com**, or the unofficial site she's really pissed off about, **www.kylacole.com**.

She was *Penthouse* magazine's Pet Of The Month in March 2000 AND she's been in a few stick flicks, including Andrew Blake's *Blond and Brunettes*, *The Villa* and *The Exhibitionists*.

But she's not ALL tits, teeth and tantalising tail. She's a PERSON too. According to her website, she loves beer and doesn't diet or exercise AT ALL. Beaut, eh?

Here are some other interesting facts we KNOW about Kyla.

- She considers herself bisexual
- She replies to all emails sent by members of her website
- She's also known as Olivia, Ester, Faye, Nikita, Rayia, Mindy and Lynn, AND
- We really want to fuck her.

And if we weren't pin-dicked and as ugly as dog shit we JUST MIGHT. ■

Go, you good thing!

KREAM WITH KYLA

WHILE it CAN'T be denied these humble pics of naked Kyla are well fucking wank-worthy, the ROOL beaut shit is waiting at www.picturemag.com.

So, little man, it now becomes a simple matter of connect, point, click, flog, click, flog, click, spurt, WIPE as horny Kyla Cole goes all WILD and LEZZO. Watch and slap youself raw as she

- ***Parts the BEEF curtains***
- ***Plays a bit of STINK-FINGER***
- ***LICKS out a blonde babe***
- ***Gets her ARSEHOLE finger-fucked, AND***
- ***Rubs her tits together.***

Truly, it's the most fun you can have with one hand.

So, champion perverts, piss off to www.picturemag.com. You'll wank yourself stupid.

KENT:

BRISBANE, QLD

Single bloke Kent, 28, was happily wielding his green thumb in his job at a nursery until he got sacked – the very day we called! "I got laid off today," he sobbed down the phone. *Bummer.* "I originally studied horticulture to grow dope but never did 'cos it's too easy to get busted." Kent loves his PlayStation, beats the skins to Cradle Of Filth and enjoys chucking his tool custard over our pin-ups and Homies. "I've been collecting PICTURE since I was 17 and I reckon it just gets better."

I have to tell her to slow down. Patience is the key." *How do you spice up the lurvin?* "We watch XXX movies and we've been using raspberry-scented body gel, which we rub all over ourselves and then lick off."

STEVE:

MOUNT COOLUM, QLD

It's hard work and I have a new appreciation for single mums," said the 35-year-old. "Oh, and can I add that folding clothes sucks?" *Sure ya can. What can you offer a lady, Stevo?* "I'm a genuine guy with an offbeat sense of humour and I've been trained in all aspects of housework. EDITA

Pics by MC International

Edita – the PANT HEATER

LOVE is a funny thing. Ha ha ha! Ho ho, SCREECH, etc.

But perhaps the funniest thing about love is the way it can sneak quietly up on a chap and grab him FIRMLY BY THE DICK without warning.

Like it does when he first gazes upon the magnificent Eastern European form of Edita here.

Just look at her, for CRAP'S sake. She's probably the spunkiest woman in the whole world – what with her firm bosoms, pouting ARSE, muscular thighs and everything. And she's not even bloody 23 yet.

So when a fella first claps his watery eyes on her, a number of kooky things start to happen:

👍 His breathing becomes shallow

👍 His thumping heart jumps into his throatal cavity, AND

👍 His scrotum tingles delightfully as 88 billion sperm thrash their little tails in excitement.

Sadly, he also loses the ability to:

👎 Think

👎 Judge distances, AND

👎 Speak.

"Blargle fnert," he'll say. Then, "Wibble."

Soon he starts to realise life without Edita is nothing but pain and misery. He tells himself that if he cannot enjoy the musky delights of her neat vagina or bury his weary head in the perfumed softness of her ACE BOSOMS then life is truly fucked.

Every moment he spends without her – not gently stroking her luminous skin nor nuzzling romantically at her fragrant bumhole – becomes intensely painful.

It's like a thousand angry dwarfs stabbing him with a thousand angry daggers in a thousand painful places. Like on that little flap just inside his Jap's eye in his dick.

Yes, love is grand. No wonder Sir Elton John has written so many moving songs about it. And Whitney Houston. ■

Streaks **aHeaD**

"SEEYA, mates," my girlfriend and I yelled as we left the pub. It was 1am and we'd been on the piss all night.

As we walked home, she kept playing with my dick. I told her to wait but she knew damn well I was as horny as she was.

A little more walking brought us to a street corner where my girlfriend spotted a house with a pool out front. She didn't have to say it – I knew she was going to jump in. What I didn't know was that she was going to pull me in and fuck my brains out.

She jerked my hot boner as I sucked her cold hard nipples. I slipped my dick into her and went for it. She was soon squealing on the verge of climax.

I was real close to pumping her full of it when the pool suddenly lit up. We looked up to see an old woman screaming inside the house.

We ran naked through several backyards. When we finally stopped to catch our breath we finished what we'd started. We fucked in someone's garden while the granny had police search the area.

We finished up and ran home naked before the cops could shine their torches on us. Luckily no-one in the neighbourhood knew it was us. We haven't done anything like that since but I'm sure we will.

'SHE JERKED MY HOT BONER AS I SUCKED HER COLD HARD NIPPLES'

PaRTY pie

ONE NIGHT my boyfriend was having a party at his place. All his mates were there including Dan, his best mate. I had a crush on Dan.

We were all partying hard, getting quite blind and playing games, when Dan lay behind me on the couch. The room was dimly lit so it was pretty hard to see.

Dan started rubbing his crotch on my back and I could feel his hard rod driving into me. It made me so horny I started pushing into him so I could feel it more.

All the while I was watching for my boyfriend – but he was too drunk to notice anything.

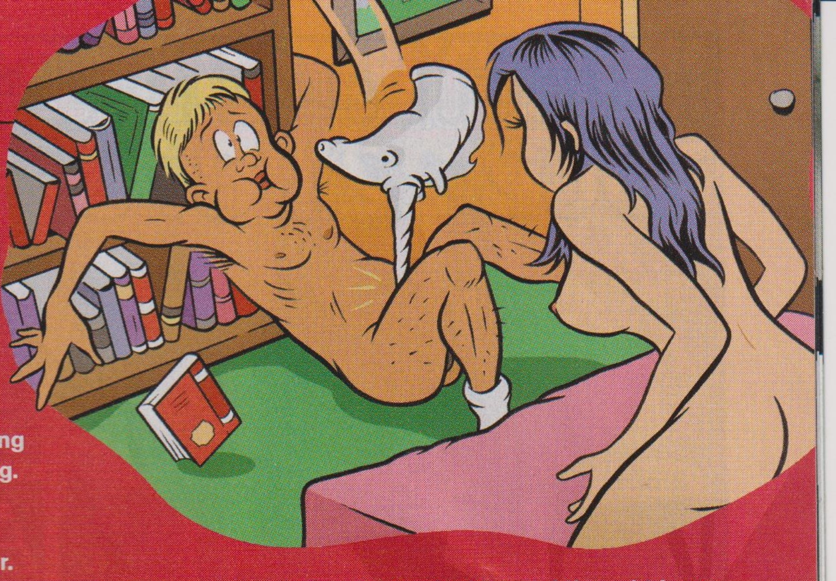
I wanted more of Dan, so I got up from the couch, gave him a sly look and left.

As soon as we were alone we started groping and rubbing each other. He kissed me passionately, pulled my panties aside and thrust his fingers into my saturated twat. I was moaning as he rubbed my G-spot.

His hard cock twitched with each stroke of my hand and then he lifted me up, pressed me against the wall, gripped my undies to one side and drove his pulsating member into me. He thrust hard and fast, kissing me deeply to suppress the moans and yelps.

Dripping fuck noises and the intense pleasure of pure lust brought us both to a full-on orgasm. It was the most intense fuck I've ever had and my boyfriend still has no idea.

J.W., Brisbane, Qld



Home WRECKER

A MATE and his missus had one of those fight and fuck relationships.

After one blazing row he left, saying he would never come back. She rang me and I went over to comfort her.

She cried on my shoulder for hours telling me all the shitty things he had done and I gave her the sensitive routine. One thing lead to another and soon we were getting it on. I slid into her magnificent wetness and began thrusting.

Unfortunately it didn't last long as a crash at the front door signalled her man's return. I jumped up with such a start my cock made a popping noise as it pulled out of her.

I fell arse over tit off the bed, my legs spinning like chopper blades, and crashed into a bookshelf. A porcelain unicorn fell off the top and dropped horn-first onto my groin.

I had no time to scream as he was coming down the hall, so I grabbed my clothes and jumped out the window.

As I hit the ground I heard the bedroom door crash open.

I was long gone before he worked it out. I thought I was home free until two weeks later when he caught up with me. He chased me down the road in his car but I jumped a fence and got away.

That time they broke up for good.

L.K., Tugun, Qld

POSH spice

MY GIRLFRIEND Rosie cleans posh people's houses to put herself through university. I do the driving.

Carolyn, one of her regular clients, is a good-looking dame in her early 40s – plastic tits, great cleavage and good legs. Not too bad at all for an old bird.

The first morning I dropped Rosie off I could tell Carolyn fancied me. She wouldn't take her eyes off my pecs and licked her lips in a sexual way. One day, Carolyn asked me to drop her off down at the shops.

Once we were in the car she ran her hand up my leg and onto my crotch. "Rosie doesn't look very experienced," she whispered as she licked my ear. I nearly ran off the road! I pulled into a park and she started undoing my jeans. I reached over to knead those gorgeous tits and, bugger me, they were real after all.

Her nipples stiffened and I kissed them as she jacked me off. Then she went down on me, giving me the deepest throat I've ever had. She was right – Rosie wasn't that experienced.

Five minutes later we were in the back seat with me up to my balls in her wet pussy and her ankles over my ears. I spurted litres of yoghurt up her and she howled in orgasm. Then we tidied up and went back to her house.

"You weren't gone long," said Rosie as we walked up the path. "The shop didn't have what she wanted," I explained nervously.

"Can you drive me to the shops next week too?" asked Carolyn. "Er, why not?" I replied.

I'm a bastard really.

T.H., Ballina, NSW

CAIRNS, QLD

A good sense of humour and blue eyes are things that turn 19-year-old Tiff on. *When it comes to the jiggy-jiggy, what do you go for?* "I like 69ers, headjobs and going at it doggie-style." *That sounds beaut. Is there anything else you'd like to tell us about?* "I have threesomes and foursomes with men and women." *Does that mean you go for women?* "If I wasn't engaged I'd go for a girl or maybe a guy." *Have you had any sexual mishaps?* "I put handcuffs on this guy and someone walked in while we were doing it. He freaked out – but 'cos he was handcuffed I kept going." *That's the way!*

KATE:

MELBOURNE, VIC

Kate, 32, has a bloody good reason for going in the mag. "I win a bottle of ouzo if I'm in. So it's all for that." *How sporting! Are any of the people who dared you gonna go in themselves?* "Nah, they're not game enough." *Flakes! What makes you tick, gorgeous?* "I like a challenge, I'll put it that way." *Go on…* "I have to be careful of what I say – there are children near." *Oh. What do you look for in a man?* "A lot of things. I like eyes…and a nice butt. OK, I've just moved into another room, so I can tell you something juicy. I like it doggie-style and I'd like to try out a threesome, with a man and a woman." *The Lord is your shepherd, Kate.*

ISIRIS:

BRISBANE, QLD

Sexy 20-year-old Isiris is dating a beaut sheila, studies community services and does champion adult Internet stuff. "I do all sorts of shots of me in different roles and some of me and my girlfriend together." *We'd like to see that!* "You can, at www.aussiegirls.com." *Do you strictly go for women or do guys have a chance?* "Mainly women but you never know when we might pull a bloke in for a threesome." *Do you get into sex toys?* "I have a huge selection." *What's one of the weirdest things you've tried out?* "I wanted to try going down on a girl as we went down a water slide at Dream World. It was pretty difficult but it was lots of fun. We kept on going around to have another go."

HOMIE OF THE WEEK

INSIDE INFO

Bindy:

MOOREBANK, NSW

Bindy's one of them modern types who's into equal-opportunity rooting. "I like to be the boss until I've got what I want," she told us. "Then it's his turn to instruct me." *How democratic. What kinda wacky shit do you get up to?* "Nothing too crazy – just dressing up and stuff." *And what's your position on…positions?* "Me on top is good, then doggie to finish off. That's always the best." *Woof!* Bindy recently started a career as a dancer and lingerie waitress with the Sex Bomb agency. You can find her shaking her booty at the Oxford Tavern in Petersham and the Stardust Hotel, Cabramatta. "I like to get out and meet people, so it suits me down to the ground." *What about when you're off duty?* "Same thing. There's no problem getting me to act outrageously. I play up a lot and I don't care who's watching!"
